

**Pamela Mann**

Pamela is a CPA and has raised her family in this community over the past 30 years. Pamela is an active volunteer with the MS Society and a founding member of a North Shore Support Group for people living with MS. Pamela has recently worked closely with seniors helping them organize, both legally and financially, as they move on to various levels of assisted living. Pamela brings to this group her skills as a CPA specializing in small business, her compassion and understanding of adults struggling with MS and other age related challenges and her passion to maintain the amazing community in which she raised her children.
