

## **Harin Kaluaratchi**

Harin, his wife, and two children have lived in the Seymour Community for the past 6 years. As a member of the Seymour community, Parkgate Community Centre has been a great resource for his entire family. He is now excited to give back. As part of his existing volunteer work, Harin has led several community and fundraising initiatives for the Bank of Montreal and serves on the Board of the Kay Meek Arts Society in West Vancouver. Harin believes this experience will help him bring value to Parkgate Society.

Currently, Harin is the Vice President of Commercial Banking at BMO for Vancouver and Vancouver Island. Prior to moving to Canada 15 years ago for his MBA, Harin lived in the US for 4 years during his undergraduate degree and Sri Lanka where he was born. Prior to banking, Harin spent 6 years as a professional and international rugby player in Sri Lanka.
