

Parkgate Society

PF Yong Memorial Scholarship

Eligibility Criteria

Awards are available to post-secondary students who:

- live in our community
- are pursuing vocational training with the aim of a career in Applied & Natural Sciences, Engineering, Computing, Trade & Apprenticeship

Value

One scholarship will be offered in 2023, valued at \$1,500.00.

Payment of Funds

Upon receipt of proof of registration in an accredited vocational program at a Canadian post-secondary institution, Parkgate Society will pay the award funds directly to that institution to go towards the award recipient's tuition fees. Receipt of the award may be deferred for a period of no longer than one academic year.

Application Procedure

Candidates must submit a *Letter of Application* which provides a detailed outline of their hopes and objectives for pursuing this particular course of learning as well as:

- other extra-curricular activities and service within the school and/or community-at-large;
- any paid or unpaid work experience;
- financial need (If applicable);
- intended post-secondary program(s) of studies; and
- any additional information that would be helpful to the PF Yong Memorial Scholarship Committee, including the potential impact of this award for the applicant.

Supporting documentation must include at least one (1) reference.

Note: The Letter of Application and all supporting documentation will be retained in strict confidence by the Selection Committee.

Application Deadline

The *Letter of Application*, together with all of the supporting documentation, must be received on or before **Friday, April 21, 2023**.
