## PARKGATE COMMUNITY SERVICES SOCIETY

And Independent Practitioners' Review Engagement Report thereon

Year ended December 31, 2022

KPMG LLP 3rd Floor, 8506 - 200th Street Langley BC V2Y 0M1 Canada Telephone 604-455-4000 Fax 604-881-4988

#### INDEPENDENT PRACTITIONERS' REVIEW ENGAGEMENT REPORT

To the Members of Parkgate Community Services Society

We have reviewed the accompanying financial statements of Parkgate Community Services Society, which comprise the statement of financial position as at December 31, 2022, the statements of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Practitioners' Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Parkgate Community Services Society as at December 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to Financial Statements

Year ended December 31, 2022

#### General:

Parkgate Community Services Society (the "Society") is organized with the objective of providing community based services, recreation, education, community development and health promotion activities through Parkgate Community Centre, the Seymour Youth Centre, and other satellite locations. The Society is a not-for-profit society incorporated under the Societies Act (British Columbia). The Society is a registered charitable organization under the Income Tax Act. Accordingly the Society is exempt from income taxes.

The Society has established a permanent endowment fund with the VanCity Community Foundation. Under the title of Parkgate Society Legacy Fund ("Legacy Fund"), the fund is held and administered by the VanCity Community Foundation, a separate legal entity from Parkgate Society. Accordingly, the Society's financial statements exclude the financial position and operating results of the Legacy Fund. See note 12.

#### 1. Significant accounting policies:

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are as follows:

(a) Term deposits:

Term deposits consist of deposits with terms of maturing of one to three years at the dates of acquisition. Interest income on the savings accounts and term deposit is recorded when earned.

(b) Accounts receivable:

Accounts receivable are measured at fair value on origination.

At year end, the Society assesses whether there are any indications that the carrying value of the receivables may be impaired. For purposes of impairment testing, each individually significant account is assessed individually; the balance of the accounts are grouped on the basis of similar credit risk characteristics. When there is an indication of impairment, the Society determines whether there has been a significant adverse change in the expected timing or amount of future cash flows. When the Society identifies a significant adverse change, it reduces the carrying amount of the receivable to the higher of the amount that could be realized by selling the receivable at the balance sheet date and the present value of the cash flows expected to be generated by holding the receivable.

When the extent of impairment of a previously written down receivable decreases and the decrease can be related to an event occurring after the impairment was recognized, the impairment loss is reversed to the extent of the improvement.

Notes to Financial Statements (continued)

Year ended December 31, 2022

#### 1. Significant accounting policies (continued):

(c) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life or improve the service potential of an asset are capitalized.

Amortization of capital assets is recorded over their estimated useful lives on the straightline basis, as follows:

Vehicles Furniture and equipment 5 years 2 to 5 years

Capital assets are reviewed for impairment whenever events or changes in circumstances indicate that either the full or partial amount of the asset no longer has long-term service potential to the Society. If such conditions exist, an impairment loss is measured at the amount by which either the full or partial carrying amount of the asset exceeds its residual value.

(d) Deferred operating contributions:

Deferred operating contributions represents operating funds received for which the Society has not yet incurred the related expenditures. The Society records an identical amount of its cash as externally restricted funds - cash.

(e) Deferred capital contributions:

Deferred capital contributions related to capital assets represent the unamortized amount and unspent amount of grants and donations received for the purchase of capital assets. The amortization of capital contributions will be recorded as revenue in the statement of operations at a rate corresponding with the amortization rate for the related capital assets.

(f) Revenue recognition:

The Society follows the deferral method of accounting for grants and donations. This method recognizes unrestricted grants and donations as revenue in the year received or receivable, if the amount receivable can be reasonably estimated and collection is reasonably assured. Externally restricted donations and grants are recognized as revenue in the year in which the related expenses are incurred. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a declining balance basis, at a rate corresponding with the amortization rate for the related capital assets.

Notes to Financial Statements (continued)

Year ended December 31, 2022

#### 1. Significant accounting policies (continued):

(f) Revenue recognition (continued):

The Society records all other income such as child care services, community programs, facility rental, and fundraising revenues, as they are earned.

Volunteers contribute a significant amount of time each year to assist the Society in carrying out its programs and services. During the year, 114 (2021 - 115) volunteers contributed 8,756 (2021 - 8,338) hours. Because of the difficulty in determining their fair market value, contributed services of volunteers are not recognized in these financial statements.

(g) Measurement uncertainty:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

(h) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Society has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Society determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

Notes to Financial Statements (continued)

Year ended December 31, 2022

#### 2. Term deposits:

Term deposits consist of

|   | 2022                     | 2021                     |
|---|--------------------------|--------------------------|
| Unrestricted term deposits<br>Internally restricted term deposits | \$<br>295,652<br>861,000 | \$<br>352,576<br>881,000 |
| Total term deposits<br>Less current portion                       | 1,156,652<br>(323,514)   | 1,233,576<br>(514,712)   |
|   | \$<br>833,138            | \$<br>718,864            |

The term deposits are at maturity dates ranging from January 2023 to June 2024 (March 2022 to September 2023) from the date of acquisition and bear interest from 1.40% to 4.25% (2021 - 0.90% to 3.30%).

#### 3. Externally restricted cash:

Externally restricted cash relating to deferred operating contributions (note 7) which is earmarked to be spent on the subsequent year's programs as follows:

|  | 2022  | 2021   |

Expenditures during the current year are based on prior board approval. The board approves a three year spending plan on an annual basis. The 2022-2024 three-year reserve plan was approved by the board of directors at their March 28, 2023 board meeting.

(a) Program services reserve:

The reserve was established to promote the purchase and replacement of project items within the departmental programs but not limited to capital, with the purchase and replacement not being part of the operating budget.

(b) Equipment replacement reserve:

This replacement reserve was set up for future capital replacement and expenses beyond the normal wear and tear on the automotive fleet.

Notes to Financial Statements (continued)

Year ended December 31, 2022

#### 9. Internally restricted net assets (continued):

(c) Technology reserve:

Specific reserve to support any future technological upgrades, replacements and additions for the Society.

(d) Future operating expenditures reserve:

The financial goals for this reserve are as follows:

- 1. To establish a reserve to represent three to six months of the Society's annual salary costs in the event that the Society dissolves;
- 2. To establish a reserve for potential claims in the unlikely event that the Society is found liable and is required to pay an insurance deductible; and
- 3. To establish a reserve for management succession and strategic reorganization beyond the normal operating budget.
- (e) New Programming Start-up reserve:

This reserve was established to fund the Society's expansion of Child Care spaces to the new Lynn-Creek premises that is anticipated to be opening in the 2024 year.

Notes to Financial Statements (continued)

Year ended December 31, 2022

#### 10. Grants and donations:

Grants and donations are comprised of the following:

|   |    | 2022      |    | 2021      |
|---|----|-----------|----|-----------|
| Federal grants:   |    |           |    |           |
| Public Health Agency of Canada - Community Action           |    |           |    |           |

|   |    | 182,125   |    | 180,123   |
|   |    |           |    |           |
|   | \$ | 1,872,782 | \$ | 1,211,990 |

The Society has access to an unsecured demand line of credit to a maximum of \$10,000 with the Blue Shore Financial. The facility is unused at December 31, 2022 (2021 - nil).

#### 11. Disclosure of remuneration:

For the fiscal year ended December 31, 2022, the Society paid total remuneration of \$173,299 (2021 - \$97,123) to two (2021 - one) employees who received total annual remuneration of \$75,000 or greater.

The Society did not pay any remuneration to its members of the Board of Directors.

Notes to Financial Statements (continued)

Year ended December 31, 2022

#### 12. Related party transactions:

The Parkgate Community Legacy Fund ("Legacy Fund"), an entity under common control, was established on June 18, 2008, with initial contributions made from the Society and a designated community donation. The Legacy Fund is held by the VanCity Community Foundation, which is a tax exempt registered charitable organization. The Society periodically contributes to the Legacy Fund, with such contributions recorded as permanent gifts to the Legacy Fund, and accordingly they are charged to unrestricted fund as bursary expense of \$321 (2021 - \$321).

One of the purposes of the Legacy Fund is to award annual scholarships to Society volunteers. One (2021 - one) award is presented annually: one (2021 - one) Bishop's University Foundation Award in the amount of \$1,500 (2021 - nil) and Student Volunteer Award in the amount of \$nil (2021 - \$1,500).

The market value of the Legacy Fund as of December 31, 2022 was \$45,089 (2021 - \$52,274).

#### 13. Financial risks and concentration of risk:

(a) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Society is exposed to credit risk with respect to the cash, term deposits and accounts receivable. Cash and term deposits are held with rebutable financial institutions from which management believes the risk of loss to be remote. The Society assesses, on a continuous basis, accounts receivable and provides for any amounts that are not collectible in the allowance for doubtful accounts. The Society's maximum exposure to creditors is limited to the carrying amounts of these balance in the financial statements.

(b) Liquidity risk:

Liquidity risk is the risk that the Society will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Society mitigates its liquidity risk by monitoring its operating requirements. The Society prepares budget forecasts to ensure it has sufficient funds to fulfill its obligations.

There has been no change in risk exposures from the previous year.

#### 14. Subsequent events:

Subsequent to December 31, 2022, the Society changed the year end date to be March 31 to align with the fiscal year ends of its major funders.
