

Kathy Campbell

Realtor, North Shore • Parkgate resident of 27 years

For 27 years, Kathy and her husband have called the Parkgate area home. Having raised two daughters and three dogs (including a P.A.D.S. service dog), they credit the various activities, amenities, and schooling the community offers for their special family life here in the District of North Vancouver. Living in five different areas around Parkgate, it has been the neighbourhood involvement that has made the community thrive.

Growing up in Alberta, Kathy's volunteering began as a student (A.I.E.S.E.C.) and has since included the Direct Marketing Association, local schools, the 2010 Olympics, her complex Strata Council, and the Parkgate Society.

Professionally, Kathy has worked with numerous companies and brings finance, marketing, and general business skills. She currently works as a Realtor here on the North Shore and holds bachelor's and master's degrees in business.

You'll find Kathy enjoying the great District hiking trails, recreation centres, and LSCR bike paths — and she has just started playing pickleball!
